January, 2007

Kirk Darroch opened the meeting at 7:00. There were no new visitors, but there were many guests in the form of spouses and children.

Announcements

This month's meeting, on January 16th, is at **Owen Haggard's shop** in Plano. The map is on page 3. The program will be George Malley from Freud with his BIG company demo truck. He will be speaking on cutting technology and answering questions on anything woodworking related.

George Thornton thanked everyone who worked at the woodworking show booth. The wooden trucks were a hit and were all given away.

Questions and Remark

There were no questions or remarks. Everyone was still enjoying the wonderful dinner. Thanks to **Jack Edgecomb** for all of his work in putting it together. There was a terrific array of delicious desserts.

Articles and announcements are always welcome for the newsletter. Please send or e-mail any submissions to **Dorothy** – Dorothy.truitt@NTWA.org.

E-mails Ed. Note: all e-mail recipients must be members of the Yahoo groups.

Dues and Other News

Visitors are always welcome of course, but if you are a regular attendee and have not joined the club, please remedy that oversight. **The club needs your financial support.** Please give your dues to **Dick Koch** at the meeting or mail it to the PO Box.

Dick also has some new NTWA directories available. Please contact him if you did not get our directory. Nametags are available at the meeting. **With so many new members, it is difficult to keep track of all the names. Please announce your name and/or wear a nametag.**

Web News

Mark Simon has made many updates to the website. Take a look at www.ntwa.org There is a special space for members to display some of their work. Here are some examples:

Library

The materials in the library (housed in **Owen Haggard's** shop) are available on a one-month loan **to members only**. If you have materials checked out, please return them ASAP. **Since the club will meet in Owen's shop again in January, you can return your checked out materials at that time.**

Show and Tell

Jim Dawson brought in some Keller dovetail templates he wanted to sell.

Kirk Darroch's children showed off their woodworking skills. **James** had a toolbox and **Lillian** showed off a treasure box. But the high light of the evening was when **Lillian** realized she had won the \$10 show and tell prize. **James** didn't mind, he just wanted the tickets.

Raffle

Woodline once again donated an excellent raffle prize. This year's donation was a router bit set that GT Robinson won. Steve Yauch won the All in One clamp and Dan Pugliese won the spring clamps. Many thanks to **Woodline**. Please let them know we appreciate their support.

Program

The toy contest didn't draw many entries this year. Only two club members participated and they will each be given 2 free raffle tickets a month until July's meeting.
