Aug, 2007

Our annual bbq was started by Kirk Darroch promptly at 7pm on July 19<sup>th</sup>.

## Announcements

A special thanks goes out to **Russell Swinney and his wife** for helping to bring in the BBQ dinner.

Thanks also goes out to the Haggards for use of their Party Barn for our dinner.

Lastly we would like to thank all who brought in the wonderful deserts at the annual July BBQ. It was a fun time for everyone.

The **August** meeting will be held at The Turning Point over in Garland to try and avoid some of the summer heat. **Craig** from **Wood World** will be demonstrating how to make bottle stoppers. Directions can be found near the end of the newsletter.

**Anyone with library materials checked out should keep them until the October meeting when we resume our meetings at Owen's shop once again.**

## Membership Dues are due.

The fee is \$24. Be sure to bring your money to next month's meeting.

**E-mails** Ed. Note: all e-mail recipients must be members of the Yahoo groups.

## Dues and Other News

Visitors are always welcome of course, but if you are a regular attendee and have not joined the club, please remedy that oversight. **The club needs your financial support.** Please give your dues to **Dick Koch** at the meeting or mail it to the PO Box. **The new club year is now here, so dues are due.**

**Dick** also has some new NTWA directories available. Please contact him if you did not get our directory. Nametags are available at the meeting. **With so many new members, it is difficult to keep track of all the names. Please announce your name and/or wear a nametag.**

## Web News

**Mark Simon** has made many updates to the website. Take a look at [www.ntwa.org](http://www.ntwa.org) There is a special space for members to display some of their work.

## Library

The materials in the library (housed in **Owen Haggard's** shop) are available on a one-month loan **to members only**. If you have materials checked out, please return them ASAP.

## Show and Tell

Our show and tell this month consisted mainly of the contest entries for our annual 2x4 contest.

Pete Yavner brought in a very nice looking chess set he built.

G.T. Robinson showed us his very nice open slat handled box he built. It could double for either a picnic basket or a tool box with a removable tray. **(G.T. won a share of 1<sup>st</sup> place.)**

Greg Glennon showed a tool box he built for his 5yr old son constructed mainly with hand tools. (It was died red because his son informed him that tool boxes are supposed to be red!) **(Greg won a share of 2<sup>nd</sup> place.)**

Kirk Darroch brought in a bowling alley as his 2x4 project entry. **(Kirk won a share of 2<sup>nd</sup> place.)**

Munawar Soomro brought in a rope ladder where he turned all of the rungs out of his 2x4.

Dan Pugliese demonstrated his 2x4 transformer milk truck. **(Dan took a share of 1<sup>st</sup> place.)**

Wendell Brough showed a dump truck that he built with his grandson. He also brought in a chess set he began to band saw out from the remaining pieces. Unfortunately he was only able to complete the board, the white set, and only a portion of the black set. **(Wendell took 3<sup>rd</sup> place.)**

Norm Shirk brought in a very nice metal mobile base he built for his bandsaw.

We had a couple of the youngest show and tells of the year starting with Austin Glennon showing his cars and trucks he built over at Home Depot and Lowes during their monthly building days.

We also had James and Lillian Darroch show their roller coaster car which they also built at a Home Depot building days.

I would encourage anyone with young children to bring them by these events. They are free and a fun way to get your children or grandchildren started building.

Home Depot – 1<sup>st</sup> Saturday morning of each month

Lowes – 2<sup>nd</sup> and 4<sup>th</sup> Saturday morning of each month

**Remember to bring in your show and tell items as it makes the meetings more entertaining and informative as well as giving you a chance to win money! The \$10 prize this month was won by Austin Glennon.**

**The more people who bring in items, the more drawings we'll have at that meeting to increase your chances.**

### Raffle

**Every month we will hold a raffle for members for woodworking prizes. Tickets are 1 for \$1 of 5 for \$5.**

### Program

The demo this month was replaced by the annual bbq. Thanks again to everyone who brought in a desert to share.

### Classified

For those club members who have something for sale, you can list those objects in the newsletter by calling or e-mailing any board member with the information. You can also put them on the web site by contacting **Mark Simon**.

I've been contacted by someone getting out of woodworking. He has a stack of Maple, Cherry, and Walnut that he would like to unload. He's asking for \$900 for the entire load.
