## Program

The **November** meeting was held at Steve Jenkins shop. Members gathered to make toy cars and trucks for children in need. We used lathes and scroll saws along with many other shop tools for finishing work. We had wonderful member turnout and were able to make around 150 cars and trucks in about 4 hours (our goal was to make 100 in 5 hours). In addition to the group at Steve's, Dan Pugliese made 17 cars and truck in his shop as well as contributing the wiggly dog he brought to the October meeting for show and tell. Everyone was having such a great time that we had difficulty breaking for lunch. Pictures of the even are on the following pages.

Thank you to everyone who came and contributed to the event. Special thanks go to:

- Steve Jenkins for the use of his shop and equipment and also for prepping the wood.
- Wendall Brough for organizing the event.
- Kirk Darroch for providing lunch and other supplies.
- Dick Koch for bringing his lathe, tools and grinder.
