November Meeting

The November meeting will be our annual toy car build at Steve Jenkins workshop in McKinney. We will meet at 10 AM, November 14 at his shop and build toy cars for a missionary group. We will build until about 4 or 5 PM. The club will supply lunch and soft drinks. **There will be no Tuesday meeting in November.**

Woodworkers All Day Class

As announced at the meeting in August, there will be a woodworkers all day training class set up for Saturday, March 6th. The class will be held from 9 AM to about 5 or 6 with an hour break for lunch. The training class will be at the Woodcraft Store on Marsh and Spring Valley and will be taught by either a Woodcraft employee/expert or an outside expert. The two classes preferred by poll at the August meeting were (1) Stains and Dyes and (2) Finishing for the Home Shop. Cost is \$40 per person for the session (about ½ of the usual Woodcraft class charge for an 8 hour session).

Program

The September demo was given by Dick Koch. Dick showed us a slide show of a very large segmented bowl made for a national competition by the Dallas Area Woodturners. He also demonstrated the process for planning, cutting and gluing the pieces together into rings and then gluing the rings together to form the rough piece. He also gave us tips for turning and finishing the project.

The **October** demonstration will be given by Allan Tucker on reproduction turning.
