## Program

The **November** meeting was held at Steve Jenkins shop. Members gathered to make toy cars and trucks for children in need. We used lathes and scroll saws along with many other shop tools for finishing work. We had wonderful member turnout and were able to make around 250 cars and trucks in about 5 hours. Pictures of the event are on the following pages.

Thank you to everyone who came and contributed to the event. Special thanks go to:

- Steve Jenkins for the use of his shop and equipment and also for prepping the wood.
- Wendall Brough for organizing the event.
- Kirk Darroch for providing lunch and other supplies.
