## Announcements

### Woodcraft Receipts

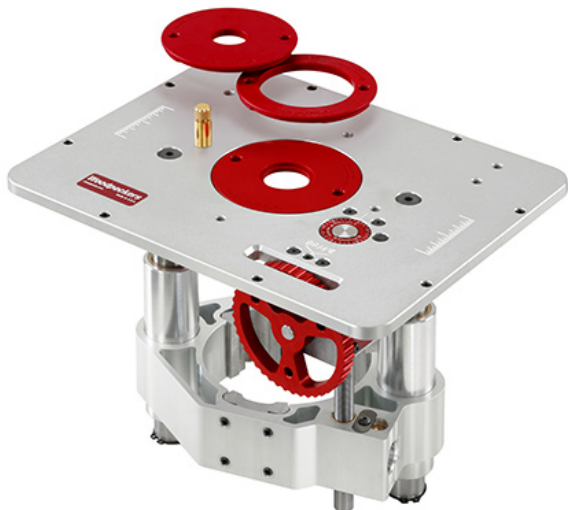

Please remember to bring in your Woodcraft receipts. They donate 10% back to the club for any receipts turned in under the clubs name. The gift cards are used as future raffle prizes.

### Woodworking Show

The show is being held October 22nd in Mesquite. Volunteers will be needed, more details to follow. Like last year the group needs to be demonstrating how to make something, the club will be demonstrating how to make a toy truck. They will also be having the show and tell competition the same as last year when our own Steve Yauch won 1<sup>st</sup> place.

### Semi-Annual Raffle Prize

The new semi-annual prize (to be drawn at the Christmas party) will be Woodpeckers Precision Router Lift V2, retails at \$329.99.

## Show and Tell

### **Dan Chenault**

Brought pictures of a tool cabinet made from spare parts and leftover wood. Handle are made of old lathe tools ground down.

### **Steve Yauch**

Showed how he uses nails to pre-drill holes for delicate pieces that might splinter when drilled with a drill bit.

### **Bill Jacobs**

Brought a clock he made to hang on a wall that looks like a watch. It can also stand on a desk. Made of Bubinga and Maple. He used the bandsaw to rough cut the pieces then sanded it down to its final size.

### **GT Robinson**

Made a table top clock from plans out of Wood magazine. He ordered the hardware from ClockIt, he discovered that the feet were the most expensive part.
