Show and Tell

Fred Chapman

Brought a turned Christmas ornament that is chip carved. Had to make a vice to hold the piece for the chip carving and figure a way to get the pattern onto the cylindrical piece.

Steve Yauch

Brought hollowed out golf balls and billiard balls. He built a jig to trap the ball so that it can be hollowed out.

Bill Jacobs

Made a shelf that was featured in Wood magazine. The top shelf contains a drawer that has no knob so that you access the drawer by pushing it out from the back but Bill chose to use a magnet to pull the drawer out instead.

John Bowen

Brought the plane that he showed a few months ago that he has now cleaned up. Plane is from 1940 or 1945.

Munwar Soomro

Brought turned pens and a small lidded box. The pens were made from resin and epoxy.

John Loftis

Brought pictures of a coffee table made in a rustic style of pine
