**President Steve Jenkins** opened the meeting promptly at 7:00 PM. The visitors were spouses.

## Announcements

This month's meeting is at Owen Haggard's shop. The map is on page 3. The program was not available at the time of printing.

## Questions and Remark

**George Thornton** thanked everyone who worked at the booth at the Woodworking Show. He asked what the club members wanted to do with the trucks that were left over. It was suggested that the finished trucks be donated along with the contest toys. The unfinished trucks will be saved for next year.

**Roy Doell** asked about the turnout at the booth. Most who worked the booth felt that the truck activity helped bring people in. More than 60 people signed in on the sheets.

A great big thanks went to **Kirk Darroch** for suggesting the toy truck kits and for cutting out all of the pieces.

Congratulations go to **Munawar Soomro** and his wife on the recent birth of their son.

The members of the board wanted to remind everyone of the upcoming elections in March. Be thinking about an office that you would be able to fill. Any board member can advise you about the duties of the officers.

Articles and announcements are always welcome for the newsletter. Please send or e-mail any submissions to **Dorothy** – [Dorothy.truitt@NTWA.org](mailto:Dorothy.truitt@NTWA.org).

## Classified

For those club members who have something for sale, you can list those objects in the newsletter by calling or e-mailing **Dorothy** the information. You can also put them on the web site by contacting **Mark Simon**.

## E-mails

**John Stankus** reminded the club of the creation of two Yahoo groups for members to use. One will be for announcements and the other for the newsletter. Ed. Note: to simplify the mailing of the newsletter, all e-mail recipients should sign up for this new system. By the July issue only the Yahoo groups will receive the newsletter. It is getting too difficult to keep up with two different lists.

## Dues and Other News

Visitors are always welcome of course, but if you are a regular attendee and have not joined the club, please remedy that oversight. The club needs your financial support. Please give your dues to **John Stankus** at the meeting or mail it to the PO Box.

**John** also has some new NTWA directories available. Please contact him if you did not get our directory. Name tags are available at the meeting. **With so many new members, it is difficult to keep track of all the names. Please announce your name and/or wear a name tag.**

## Web News

The web site now has a **member e-mail list** and a place for members to display their projects. There is also a bulletin board for club members interested in classified ads. **Mark Simon** welcomes comments and pictures for the web site.

## Library

The materials in the library (housed in Owen Haggard's shop) are available on a one-month loan **to members only**. If you have materials checked out, please return them ASAP. If you are new to the club, please check out our extensive library of information. If you have not yet joined, this month is a perfect time.

## Show and Tell

**Greg Glennon** showed the photos of the finished headboard. He has brought in parts of the headboard as it was taking shape. He also showed his first ornament turning.

**Steven Deputy** also brought in some photos. His were a result of a stain on the carpet. The stain led to a total remodel job.

**John Stankus** brought in a new sign he made for the club. It spells out North Texas Woodworkers as people are always asking what NTWA stands for.

**Kirk Darroch** brought in the jig he used to make the trucks for the show.

The **Show and Tell** drawing was won by **Steven Deputy**.

### Raffle

The raffle prizes were a generous donation from **Jessica of Peachtree**. The band saw blade was won by **John Stankus**, The sanding belt cleaner by **Steven Deputy**, and the cool blocks by **Gary Turman**.

### Program

This month's program was the second annual toy making contest.

**Dan Pugliese** made several trains – they were a big hit with **Kirk Darroch's** little son.

**Charles Grant** made some tic-tac-toe games and some rubber band cars.

**Dick Koch** made some rubber band cars.

**Walt Schuster** had some lapboards.

The voting was done in two categories. The adult vote went to Dan Pugliese and the children's vote went to Charles Grant.
