Membership Dues are due. The fee is \$24. Be sure to bring your money to next month's meeting.

The **2007 NTWA election of officers** was held. All officers not listed were voted to remain. The new officer list is as follows:
Sec / Newsletter – Greg Glennon

Shows – GT Robinson
The election results were unanimous.

Questions and Remark

Sidney Fertell asked for advice regarding the draw board technique he was using to help to pull his tenons together. He was drilling a dowel through his tenon and mortise sides which was just offset a little to help pull the tenon tight into the joint.

Gary Turman talked about how he helped a friend sharpen his new chisels. The following day his friend ended up slicing through the tendon in his hand. **Be sure to explain safety when helping beginning woodworkers with their new tools.**

E-mails Ed. Note: all e-mail recipients must be members of the Yahoo groups.

Dues and Other News

Visitors are always welcome of course, but if you are a regular attendee and have not joined the club, please remedy that oversight. **The club needs your financial support.** Please give your dues to **Dick Koch** at the meeting or mail it to the PO Box. **The new club year is now here, so dues are due.**

Dick also has some new NTWA directories available. Please contact him if you did not get our directory. Nametags are available at the meeting. **With so many new members, it is difficult to keep track of all the names. Please announce your name and/or wear a nametag.**

Web News

Mark Simon has made many updates to the website. Take a look at www.ntwa.org There is a special space for members to display some of their work.

Library

The materials in the library (housed in **Owen Haggard's** shop) are available on a one-month loan **to members only**. If you have materials checked out, please return them ASAP.

Show and Tell

Greg Glennon brought in a blast gate to go with the pictures from his new Clearvue Cyclone dust collection system.

Mark Simon brought in a powdered horn his 9yr old son made with Mark's help. He brought in pictures of the covered wagon he also made with his daughter.

Norm Shirk brought in his new mini Clearvue cyclone which is used in conjunction with a shop vac.

Pete Yavner brought in a very nice mango/cherry/ebony salt mill he made along with a bloodwood/ebony/maple lazy susan.

Dale Osborne brought in his new SignCrafter router jig he bought on sale at Woodcraft. He discussed many of the issues he ran into during its use. (It's now for sale...) He also showed his new Skill dual base router.

Terry Pennington brought in pictures of his mahogany entertainment center he is currently working on for his home.

Sidney Fertell brought in pictures of a queen size headboard he made out of red oak for a friend. It turned out nice enough to warrant a contract for a second bed.

Two tickets were drawn for the *Show and Tell* raffle; **Greg Glennon** and **Sidney Fertell** each won \$10.

Remember to bring in your show and tell items as it makes the meetings more entertaining and informative as well as giving you a chance to win money!
