November 2009

The monthly meeting was started by Steve Jenkins promptly at 7:00 pm on October 20th.

Announcements

November Meeting

The November meeting will be a toy car build at Steve Jenkins workshop in McKinney. We will meet at 10 am, November 14th at his shop and build toy cars for a missionary group, just like last year. The goal will be to build about 200 cars using the scroll saw or lathe. We will go until about 4 or 5 pm. The club will supply lunch and soft drinks. **This event IS the November meeting; there will be NO 3rd Thursday meeting in November.**

December Meeting

The December meeting will be on the 15th. It will be held at the Party Barn in Plano. Dinner will be catered by the club; however, we do ask that you bring your favorite desert. Contests for that evening will be in three Christmas Categories:

1. Ornaments
2. Toys
3. Other

The contest show item must be brought into the meeting, no pictures. These items will not be donated, they are yours. Prizes in each category will be:

- First Place = 3 free raffle tickets per mtg
- Second Place = 2 free raffle tickets per mtg

Note: These prizes are valid until the July meeting.

Woodcraft Receipts

Remember to bring in your Woodcraft receipts. They are donating 10% back to the club for any receipts turned in under the club's name. The gift cards will be used as future raffle items.

Woodworking Show

We had many visitors stop by our booth over the course of the weekend with an additional 61 interested people. And our very own Steve Yauch was the big winner of the woodworking show contest.

Saw For Sale

This saw has been in the same family for 3 generations. It belonged to a meticulous woodworker who took great care of all of his tools, including this rare saw which is in excellent working condition. The flywheel is 14 1/2" in diameter and the overall height is 36 1/2". This is a great addition to any woodworker's collection. Asking \$1,200.00 cash (plus shipping if not picked-up locally).

This saw sold many years ago: 11/6/17

Show and Tell

Steve Jenkins brought a plaque made for him on a C&C Router from a piece of scrap wood from his shop.

Steve Yauch brought a plane he bought used and restored.

Dick Koch brought turned vase he began while hosting the September demo.

Dale Osborn brought a tray he made for reading his newspaper.

John Bowen brought a blanket chest made for his wife and designed around the hinges.

Show and Tell cont.

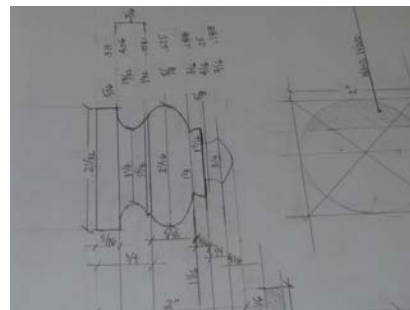

Thad Burnett brought a bandsaw box he made out of cedar.

Sandi Burnett brought a turned bowl made of left over cedar from the Woods of Mission Timber.

Program

The **October** demo was given by Allan Tucker from Woodcraft who showed how to do replication turning by measuring the original piece and creating a "map" of the piece.

There will be no **November** demo, instead we will be meeting at Steve Jenkins shop for the toy car build.
